

ADI-WI News

ADI-WI is Online

ADI-WI is proud to announce that we can now be found online!

Thanks to a few hours of work from volunteer Tyler Sachse and links to our board members' favorite educational resources, we've accomplished one of our annual goals.

At www.adiwi.org you can browse past newsletters, link to some great resources,

and see what's new with us.

Our website also features links and information about upcoming DI conferences and workshops, our membership form, and board member contact information.

We welcome any comments or suggestions that might help make our website more beneficial for you.

If you have great resources you'd like to share with others, please email us the links. Board members can be reached via email at adiwi-board@gmail.com.

Newsletters Receive a Facelift

As you may have noticed, our newsletters have received a facelift. Another one of our goals this year is to provide our newsletters digitally.

A new format will provide opportunities for us to provide direct links to worthwhile resources online. In an effort to save valuable resources, send us your

current email so you can receive future newsletters electronically.

From the President

I am thrilled that we have our website up and running! While it's a work in progress, we are pleased with the resources we've already provided. Please take some time to explore and share some feedback with us.

As a board, we continue to work on meeting our annual goals, which included building a website and reaching out

to other educational organizations in an effort to collaborate.

One annual goal you can help us with is increasing membership. If you're passionate about Direct Instruction and helping children be successful learners, pass our website on to your colleagues and

friends.

Please remember to renew your annual membership. If you

are uncertain about your membership renewal date, please send us an email at adi-wiboard@gmail.com.

Summer 2010 Conference?

It's that time of year again for the ADI-WI Board. We're weighing the pros and cons of hosting a summer conference.

As you may remember, we had to cancel the 2009 conference due to low enroll-

ment. In an effort to avoid similar losses, we've put together an online survey we hope will help us gauge the needs of our membership.

The survey will take less than 5 minutes of your time and will help us move forward in

the planning process.

You can link directly to the survey by visiting our [website](#) or [clicking here](#).

We appreciate your time and effort.

The Board Welcomes Sue Owens & Alicia May

The ADI-WI Board was short two members.

Most recently Betsy Frisch, a long time director on the board, moved into the vacant vice-president spot and we

elected two new directors. Sue Owens was elected to serve through 2010 and Alicia May was elected to serve through 2011. Sue Owens has over 40 years of experience in education. Alicia May has been working as special education

teacher in the Madison schools for three years.

If you'd like to learn more about Alicia, Sue, or any of our other board members, [click here](#).
